This hotel’s bold architecture juts out into the Mediterranean, inviting the visitor on a genuine luxury cruise, emphasized by the décor which was entirely redesigned with this in mind. Each of the 602 spacious and comfortable rooms and suites features a private terrace overlooking the marine skyline, the glittering Principality, or the peaceful gardens. Located at one of the Formula 1 circuit’s most famous bends, and just steps from the Grand Casino, the hotel is also a gastronomic mecca, maestro Philippe Joannès is directing the kitchens of Nobu Fairmont Monte Carlo, the Horizon-Deck Restaurant and Champagne Bar, and Saphir 24, a bistro and lounge bar open 24/7. Built on a 2-hectare peninsula of greenery, this contemporary resort has 334 rooms, including 22 suites. GOURMET MOMENTS
MICHELIN-STARRED RESTAURANTS

Excellent restaurants unite with talented chefs, who put their genius to work in Monaco, experimenting with sensations of finely tuned flavours to delight you.
The Louis XV-Alain Ducasse à l'Hôtel de Paris has been entirely refurbished, showcasing a unique culinary repertoire inspired by the French Riviera. The menu, compiled by chef Dominique Lory and Alain Ducasse, is stamped with modernity and youth. Powerful juices, intense stocks and fresh condiments reveal the meticulousness and precision of the savours. History marches on, looking better than ever.
With a kitchen that opens onto the dining room, the restaurant within the Hôtel Métropole places great emphasis on inventive and flavourful cuisine. Jacques Garcia’s folding drapes and colonnades evoke a theatre while Joël Robuchon chose Chef Christophe Cussac to be the ambassador of his expertise.
ELSA

Elsa is the new gourmet restaurant at the Monte-Carlo Beach Hotel. It serves top-quality, contemporary cuisine that reflects the culinary history of the French Riviera. The menu designed by Paolo Sari is authentic and guaranteed 100% organic. It features fresh fruit and vegetables from the Nice hinterland highlighting seasonal signatures dishes.

LE BLUE BAY

The superb Blue Bay restaurant facing the Mediterranean has been in the capable hands of Marcel Ravin, a child of the Caribbean, since it opened ten years ago. His culinary style combines the savours of the Caribbean with the treasures of the land and the sea in the south. Blue Bay has just received its Michelin star, confirming its place amongst the best fine dining restaurants in Monaco and heralding a bright future for the establishment.

The Cinq Mondes Spa at the Monte-Carlo Bay Hotel & Resort offers a wide range of beauty treatments and rituals from around the world, harnessing quality, authenticity and a sense of ceremony. Each treatment is developed by famous masters of the art and scientists. All formulae are natural, free of silicone, paraben and phenoxyethanol. Cutting-edge cosmetology in-line with the Cinq Mondes charter, the Charte Laboratoire du Naturel, thus also delights the senses. Try our Royal Taoist Ritual, with face and body treatments inspired by traditional Chinese medicine, or our Sublime Polynesian Ritual, taking you on a unique sensorial journey. Open daily from 10am to 7pm and until 8pm in summer.
The Mediterranean sea is behind the inspiration for the ‘a la carte’ treatment menu at this 900 m² spa, nuanced with green and blue. The eight treatment suites, bathed in natural light, are all equipped with private balconies and steam showers with rainfall heads, chromotherapy, and aromatherapy. Women and men have their own relaxation spaces with multifunctional showers and steam rooms. Couples can share their moments of well-being in one of the dedicated cabins.

At lunchtime, bento boxes provide a balanced gourmet break.
And to complete this exceptional offer, a nail spa is dedicated to manicures and pedicures. Open daily from 9am-9pm.
Devoted to beauty and well-being, this bright, white haven is the latest spa to open in the Principality. The staff, perfectly in tune with the clientele, owe their virtuosity to cutting-edge Star Wellness expertise; its «Harmony inside & out» concept is highly sought after. 1800m² of elegance and technical prowess are arranged on 3 levels according to 3 themes: Beauty, Wellness and Fitness. Facilities include the famous private «Duo Suite» measuring 110m², an endless pool, sauna, steam bath, Russian bath, an Aemotio Spa with four individual Vichy showers, a connected fitness area, two cardio training rooms, a studio for dance, yoga and pilates, a kinesis room with coaching, outdoor spinning and a relaxation area. The icing on the cake is the partnership with the Sisley Paris brand, which provides exclusive Phyto-Aromatic treatments for face and body as well as its complete Treatment/Make-Up/ Fragrance range. At the Hair Spa, Philip B. and Eros Giuliani bring out the best in hair, while manicures and pedicures are provided by Kure Bazaar and Bamford excels in holistic treatments. A spa induction package has been designed for children from 0 to 17. Babies love having their energies balanced during an Ayurvedic massage designed especially for them. At lunch and tea time, the Bento Perla collection created by Chef Michel Lentz, offers a treat for the taste-buds. Open every day all year round from 9am to 8pm. Valet parking.
